A range of consequences and/or actions will be used to address non-compliance with appropriate Rider Conduct. LKLP Public Transportation is responsible for writing up an incident report and correcting inappropriate behavior on transit facilities/properties. Transit drivers are responsible for preparing an appropriate incident report and correcting behaviors that occur on transit vehicles, with LKLP Public Transportation direction/guidance. Consequences and/or actions could include one or any combination of the following:

Minor Violations of conduct rules may be handled as follows:

First Offense-Verbal warning by transit driver to correct behavior.

Second Offense- The offender(s) will be **put off** the transit vehicle. If a passenger is put off the transit vehicle, the passenger is suspended from riding privileges on any transit vehicle for the remainder of the day. *Anytime a passenger is put off LKLP Public Transit their bus fare shall be forfeited and if the passenger suspended is seen riding another transit vehicle during the suspension period it will be considered trespassing and law enforcement will be called to handle the situation.* An incident report will be completed.

If the offender(s) is under the age of 18 years old, and is to **be put** off of the transit vehicle, law enforcement will be called for law enforcement transport.

Third and Subsequent Offenses-Same as “first offense” of major violations.

Major Violations of conduct rules are handled as follows:

First Offense- Riding privileges can be suspended from the transit system at the discretion of LKLP Public Transit Operator. When suspended, the offender(s) is not allowed to ride any transit vehicle. *Anytime a passenger is put off LKLP Public Transit their bus fare shall be*

forfeited and if the passenger suspended is seen riding another transit vehicle during the suspension period it will be considered trespassing and law enforcement will be called to handle the situation. The transit driver will contact his/her supervisor with any/all major violations. Law enforcement may be called.

When a passenger exhibits inappropriate behavior on a transit vehicle or transit properties/facilities, transit personnel will complete an incident report. The incident report is given to a supervisor by the end of the working day. The operations manager prepares a written letter of suspension for transit riding privileges by the end of the next working day. The letter should state why the passenger was suspended, any documented history of disruptive behavior, and the length of the suspension. The letter of suspension will be reviewed for finalization by the **Second and Subsequent Offenses** – When a passenger returns from a suspension, the returning passenger's behavior will be closely monitored. If there is another documented incident of disruptive behavior, the passenger may be suspended for an additional period of time and/or have all transit riding privileges permanently terminated.
