LKLP conducts an annual community needs assessment that is distributed throughout its service area of Leslie, Knott, Letcher, and Perry Counties. Below are two tables that contain the rankings of the greatest needs in our communities based on the survey results. The first table lists the rankings and are numbered 1 through 7, with 1 representing the highest need. The second table represents the needs by the percent of survey respondents that selected the corresponding answer choices.

<b>Community Needs Assessment Ranking</b>	
Employment	1
Housing	2
Education	3
Health and Social/Behavioral Development (Nutrition)	4
Income and Asset Building	5
Support Services (supporting multiple domains)	6
Civic Engagement	7
